

Who We Are

The Replicators are one of the most popular, professional party bands in the South East, performing frequent shows at private parties, weddings and corporate functions. This cool, stylish band operates a flexible five to eight piece line up, which includes both male and female lead vocalists and a full 3-piece brass section. Playing a selection of the biggest party/feel-good hits from the 50s to the present day charts.

The quality of our singers and musicians is unsurpassed. All our band members are dedicated professionals who have worked at the highest levels in the music industry as session players for artists such as Bjork, Kid Creole and the Coconuts, Shane Lynch, Liberty x, Steps, S club 7, Royal Shakespeare Company, BBC TV, Gareth Gates, Westlife, Kylie Minogue, Gerri Halliwell, Ant & Dec, Sean Escoffery, Rod Stewart and Bjorn Again to name a few, as well as performing regularly in the West End. We would love to bring this talent to your event.

“I just wanted to take this opportunity to say an enormous thank you for making Saturday the success it was. Everything looked lovely, tasted wonderful, sounded fantastic and worked extremely well as always, this was down to people going the extra mile for the couple.” All the best, Sandy Moretta, tiptopweddings.co.uk.

What We Do

We pride ourselves on our versatility, which means we can offer you the kind of music you want, from ja

We can tailor-make the music to fit a theme and have played many over the years from hip n groovy 60s

{loadposition content2}

You can choose a selection of songs from our song list or trust us to skilfully create a playlist that is designed to fill the dance floor and keep it full all night long. And as part of our service we are happy to learn a first dance or special song especially for your wedding or event (subject to band approval).

"I would just like to thank you and the band for the amazing performances that you all gave on Saturday night. We were all truly blown away by the talent and I was thrilled at the quality and professionalism you all showed. I felt very smug that I had booked you!"

Jill

□

As standard The Replicators:

- Offer live music that will satisfy the entire audience.
- Play up to 3 x 50 min live sets and covers music during breaks from iPod.
- Are able to offer an optional live jazz / background set during dinner/drinks if required.
- Come self contained with a state-of-the-art sound and lighting system.
- Supply the essential 'feel good factor' for your wedding night, event or function and make it a night to remember!
- Are experienced at working with pro venues. We will set up quickly and discreetly – no need for lengthy and noisy sound checks.
- Are insured (£5 million public liability insurance) and all equipment is safe and PAT tested (a standard requirement by many hotels and other venues).

Why Book Us?

The band is professionally managed with a seamless booking process that includes expert advice and close liaison throughout, from start to finish. You can be completely assured that the band will be punctual, reliable, pleasant and professional throughout, unlike many semi-professional bands that could let you down!□

If you would like your guests to look back and remember the occasion with enthusiasm, you can rely on us to kick-start the party and deliver truly great live music.

“Simon and I would just like to say thank you to "The Replicators" for playing at our wedding at Alexander House Hotel. The band did a fantastic job and everyone commented on how good they were. The dance floor was full until the end of the night and everyone had a fabulous time. ”

The band arrived promptly, set up quickly and played an excellent mix of music to please everyone. I will definitely be recommending you to others”. Many thanks, Caroline & Simon

What We Play

The biggest and best hits from the 50s to the present day – we are currently updating our Song List, please check back soon or [Get In Touch](#) for more details.

[What Our Clients Say](#)

‘We all had a fantastic evening - the band were brilliant - and everyone we have heard from, or spoken to since (which is most of them) has said the same. ’
